

## AABC E-Proceedings Technical Requirements

After you purchase your E-Proceedings, you will receive an email from LockLizard with two files attached.

- 1) Your **license file** and
- 2) a **zipped version** of your license file.

To view the E-Proceedings:

- You must **install your license file**
- You must **install the LockLizard viewer file**
- You must have **administrator access** on your PC to install both files.
- You must be **connected to the Internet** both:
  - a) as you **install the files** &
  - b) the **first time** you **open a document**.

### Ready?!

1. **Open your LockLizard email** and **click on the URL** to download and install the LockLizard Viewer.
2. **Double click the license file** attached to the email (safeguard\_v\_license.llv) to install it. (There is no progress bar; wait until you receive the Registration Complete message.)
3. Access the E-Proceedings files, which can be viewed either:
  - on the USB drive you received at the AAB Conference in Tampa
  - **or** downloaded from our website:  
[www.advancedautobat.com/Proceedings](http://www.advancedautobat.com/Proceedings).
4. For help, contact Ronald Windsor at [support@advancedautobat.com](mailto:support@advancedautobat.com) or by phone at (530) 692-0140.
